Thank you for taking the time to join with us in Worship!

Hello,

Thanks for joining us here this morning at Crossroads. We are so excited and we hope you will be too. We are trying something new, anyone not like something new? Yeah! What we are doing is we are trying to draw closer as a church. In a lot of ways what we usually do in church is we become separated by the styles of worship. This is your time and this is our time and what happens is that for many of us we never get to do church together. Many of our folks have never met one another and therefore it makes it hard to build the relationships that need to be built. So we have changed our service times to help us to hopefully change all of this. Away in which we can each worship as we like and in a way that is meaning to each one of us and yet at the same time during the message to have us all come together as one. Sounds great doesn't it? I think so. But the only way it will do everything that it is intended to do is if we, every one of us make it a point to make it work for us.

Each and every week we meet and make new friends, whether it's through the Sunday morning worship, outreach, or Bible studies throughout the week. Crossroads is doing it's best to help people not only get connected in their faith, but to get connected to a family of faith. Some may think that this is not important, but it is. Everyone struggles, especially in today's economy. Here at Crossroads we believe that it is the community of Faith that strengthens the community faith and so we trying our best to come together. It's that simple. People helping people, loving what God loves most, people.

So once again thanks for stopping in and may God bless you in all ways, always.

And may we serve you in a way that you'll remember.

God's Peace,
Pastor Bob
